Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

**Substitute Amendment**

Dear Sir:

This amendment is to be substituted for the one filed November 7, 2005 and is being filed within the three month period to respond to the Official Action mailed September 22, 2005.

A Response and Amendment was filed in this application to correct the handling of the claim in both the original amendment filed October 21, 2005 and a second amendment filed November 7, 2005.

In both of these amendments, I erroneously used the claim status identifier "re-presented". Reference in the amendment filed November 7, 2005 was to the status identifier found in the M.P.E.P. Section 714-3 (dated sheet February 2003) which was later amended. I was not aware of the amended M.P.E.P. Section 714-3 at the time the response and amendment was filed.

When it was brought to my attention that the M.P.E.P. had been amended to eliminate the "re-presented" identifier, I prepared the instant substitute amendment to correct my mistake.

This amendment is identical to the one filed November 7, 2005, but Claim 9 is now listed as "new" and is previously allowed Claim 2 written in independent form.
